

Strategic Business Solutions

- What is the cost of hiring the wrong employee?
- Do you know the current wage and hour regulations?
- How do you find the best person to hire?
- Are your application forms and hiring processes legally acceptable?
- Do you know what documentation must be provided to new employees upon hire?
- Do you have the time and expertise to source the best benefit options for your business and employees?
- Do you know how to handle a harassment complaint?
- How do you properly handle an employee termination?
- Do you have Employee Handbook and Policy and Procedure manuals in place?
- How are your employees trained?
- How do you evaluate your employees' performance?
- Do you know which employment related laws apply to your size company?

The Hopkins Group can provide answers for you in all of these areas of Human Resources, allowing you to focus on running your business and avoid hefty fines and lawsuits.

Contact us today for a needs assessment, at no charge to you.
